ORDINANCE 04-2016
(Continued)

WHEREAS, notice of this proposed ordinance has been delivered to the Board of Education of Westerville City School District in accordance with and within the time period prescribed in Section 5709.83 of the Ohio Revised Code.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF MINERVA PARK, OHIO, THAT:

Section 1. Incentive District Projects; Creation of Incentive District. This Council finds and determines that the Project will place additional demand on the Public Infrastructure Improvements. Pursuant to the TIF Statutes, this Council creates the Incentive District, the boundaries of which are coextensive with the boundaries of, and include, the Parcels specifically identified and depicted in Exhibit A.

Section 2. Public Infrastructure Improvements. This Council designates the Public Infrastructure Improvements described in Exhibit B attached hereto, and any other public infrastructure improvements hereafter designated by ordinance as public infrastructure improvements, as public infrastructure improvements made, to be made or in the process of being made by the Village that directly benefit or serve, or that once made will directly benefit or serve, parcels in the Incentive District.

Section 3. Authorization of Tax Exemption; Life of Incentive District. Pursuant to and in accordance with the provisions of Section 5709.40(C) of the Ohio Revised Code, this Council declares that one-hundred percent (100%) of the increase in assessed value of each Parcel subsequent to the effective date of this ordinance (which increase in assessed value is hereinafter referred to as the “Improvement,” as defined in Section 5709.40(A) of the Ohio Revised Code) is a public purpose and exempt from taxation for a period coextensive with the life of the Incentive District, which life commences with the first tax year that begins after the effective date of this ordinance and in which an Improvement attributable to a new structure would first appear on the tax list and duplicate of real and public utility property for any Parcel within the Incentive District were it not for the exemption granted in this ordinance and ends on the earlier of (a) thirty (30) years after such commencement or (b) the date on which the Village can no longer require service payments in lieu of taxes, all in accordance with the requirements of the TIF Statutes.

Section 4. Service Payments and Property Tax Rollback Payments. Pursuant to Section 5709.42 of the Ohio Revised Code, this Council directs and requires the owner of each Parcel to make annual service payments in lieu of taxes with respect to the Improvement allocable thereto to the Franklin County Treasurer (the “County Treasurer”) on or before the final dates for payment of real property taxes. Each service payment in lieu of taxes, including any penalties and interest at the then current rate established under Sections 323.121 and 5703.47 of the Ohio Revised Code (collectively, the “Service Payments”), will be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the Improvement if it were not subject to the exemption granted in this ordinance. The Service Payments, and any other payments with respect to each Improvement that are received by the County Treasurer in connection

with the reduction required by Sections 319.302, 321.24, 323.152 and 323.156 of the Ohio Revised Code, as the same may be amended from time to time, or any successor provisions thereto as the same may be amended from time to time (the “Property Tax Rollback Payments”), will be allocated and distributed in accordance with Section 6 of this ordinance.

Section 5. Tax Increment Equivalent Fund. This Council establishes, pursuant to and in accordance with the provisions of Section 5709.43 of the Ohio Revised Code, the Minerva Park Municipal Public Improvement Tax Increment Equivalent Fund (the “TIF Fund”), into which the County Treasurer will deposit the Service Payments and Property Tax Rollback Payments collected with respect to the Parcels and not required to be distributed to the Westerville City School District pursuant to Section 6 of this ordinance. The TIF Fund will be maintained in the custody of the Village. The Village may use amounts deposited into the TIF Fund only for the purposes authorized in the TIF Statutes and this ordinance. The TIF Fund will exist so long as such Service Payments and Property Tax Rollback Payments are collected and used for the aforesaid purposes, after which time the TIF Fund will be dissolved and any surplus funds remaining therein transferred to the Village’s General Fund, all in accordance with Section 5709.43 of the Ohio Revised Code.

Section 6. Distribution of Funds. Pursuant to the TIF Statutes, the County Treasurer is requested to distribute the Service Payments and the Property Tax Rollback Payments as follows:

- (i) to the Westerville City School District, an amount equal to the amount the Westerville City School District would otherwise have received as real property tax payments (including the applicable portion of any Property Tax Rollback Payments) derived from the Improvement to the Property located within the Westerville City School District’s boundaries if the Improvement had not been exempt from taxation pursuant to this Ordinance; and
- (ii) to the Village, all remaining amounts for further deposit into TIF Fund for payment of costs of the Public Infrastructure Improvements, including debt service on any securities issued to finance those costs.

Section 7. Tax Increment Financing Agreement. The form of Tax Increment Financing Agreement (the “TIF Agreement”) presently on file with the Clerk of Council is hereby approved and authorized with changes and completions thereto that are not inconsistent with this ordinance, not substantially adverse to the Village and approved by the Mayor and the Village Solicitor. The Mayor, for and in the name of the Village, is hereby authorized to execute and deliver the TIF Agreement in substantially that form along with any changes or completions thereto, provided that the approval of such changes and completions thereto by the Mayor, and the character of those changes and completions as not being substantially adverse to the Village, will be evidenced conclusively by the Mayor’s execution thereof.

Section 8. Further Authorizations. This Council authorizes and directs the Mayor, the Fiscal Officer, the Village Solicitor, the Clerk of Council or other appropriate officers of the Village to make such arrangements as are necessary and proper for collection of the

Service Payments from the owner of each Parcel. This Council further authorizes and directs those officers or other appropriate officers of the Village to prepare and sign all agreements and instruments and to take any other actions as may be appropriate to implement this ordinance and the TIF Agreement.

Section 9. Open Meetings. This Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this ordinance were taken in an open meeting of this Council and any of its committees, and that all deliberations of this Council and any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law including Section 121.22 of the Ohio Revised Code.

Section 10. Effective Date. This ordinance shall take effect and be in full force and effect from and after the earliest time permitted by law.

This TAX INCREMENT FINANCING AGREEMENT (this “Agreement”), is made and entered into as of this 14th day of April, 2016 (the “Effective Date”), by and between the VILLAGE OF MINERVA PARK, OHIO (the “Village”), a political subdivision duly organized and validly existing under the constitution and the laws of the State of Ohio (the “State”), and M/I HOMES OF CENTRAL OHIO, LLC, an Ohio limited liability company (the “Company”).

WITNESSETH:

WHEREAS, the Company has acquired or will acquire certain real property which, pending annexation, will be located within the Village, a depiction of which is attached hereto as Exhibit A (with each parcel as now or hereafter configured, a “Parcel,” and collectively, the “District”) for the purpose of constructing approximately 250 single-family homes for which the final development plan was approved by Village Ordinance No. 02-2016, passed February 8, 2016 (the “Project”); and

WHEREAS, in order to successfully develop the District, it is necessary to construct or to cause to be constructed certain public infrastructure improvements as described in Section 4 and in Exhibit B attached hereto (with the improvements identified therein being referred to herein as the “Public Infrastructure Improvements”), which the Village and the Company agree will benefit or serve the District; and

WHEREAS, the Village, by its Ordinance No. 04-2016 passed March 14, 2016 (the “TIF Ordinance”), has declared that one-hundred percent (100%) of the increase in the assessed value of each Parcel within the District subsequent to the effective date of the TIF Ordinance (such increase, as further defined in O.R.C. Section 5709.40 and the TIF Ordinance, is hereinafter referred to as the “Improvement,”) is a public purpose and is exempt from taxation for a period commencing with the first tax year that begins after the effective date of the TIF Ordinance and in which an Improvement due to the construction of a new structure on that Parcel first appears on the tax list and duplicate of real and public utility property for that Parcel and ending on the earlier of (a) thirty (30) years after such commencement, or (b) the date on which the Village can no longer require service payments in lieu of taxes, all in accordance with the requirements of O.R.C. Sections 5709.40, 5709.42 and 5709.43 and the TIF Ordinance (the “TIF Exemption”); and

WHEREAS, the Village has determined that it is necessary and appropriate and in the best interest of the Village to provide for the current owner of each Parcel (initially the Company) and any future owners of each Parcel (with the Company and each such future owner referred to herein individually as an “Owner” and collectively as the “Owners”) to make annual service payments in lieu of taxes with respect to any Improvement allocable thereto (the “Service Payments”) to the Franklin County Treasurer (the “County Treasurer”), which Service Payments will be used, in part, to pay Costs of Public Infrastructure Improvements as defined herein, all pursuant to and in accordance with O.R.C. Sections 5709.40, 5709.42 and 5709.43 (collectively, the “TIF Statutes”), the TIF Ordinance, and this Agreement; and

WHEREAS, the Village has determined that a portion of the Service Payments shall be paid directly to the Westerville City School District (the “School District”) in an amount equal to the real property taxes that the School District would have been paid if the Improvement to the

Property located in the School District had not been exempt from taxation pursuant to the TIF Ordinance;

NOW, THEREFORE, in consideration of the premises and covenants contained herein and to induce the Company to proceed with the construction of the M/I Public Infrastructure Improvements, the parties agree to the foregoing and as follows:

Section 1. Obligation to Make Service Payments.

(a) Service Payments. Each Owner hereby agrees to make the Service Payments due during its period of ownership of one or more Parcels, all pursuant to and in accordance with the requirements of the TIF Statutes, the TIF Ordinance, the provisions of Ohio law relating to real property tax collection, and any subsequent amendments or supplements thereto. Service Payments will be made semiannually to the County Treasurer (or to the County Treasurer's designated agent for collection of the Service Payments) on or before the final dates for payment of real property taxes for the Parcels in the District, until expiration of the TIF Exemption. Any late payments will bear penalties and interest at the then current rate established under O.R.C. Sections 323.121 and 5703.47 or any successor provisions thereto, as the same may be amended from time to time. Service Payments will be made in accordance with the requirements of the TIF Statutes and the TIF Ordinance and, for each Parcel, will be in the same amount as the real property taxes that would have been charged and payable against the Improvement to that Parcel (after credit for any other payments received by the Village under O.R.C. Sections 319.302, 321.24, 323.152 and 323.156, or any successor provisions thereto, as the same may be amended from time to time, with such payments referred to herein as the "Property Tax Rollback Payments") if it were not exempt from taxation pursuant to the TIF Exemption, including any penalties and interest. The Village and each Owner agree that the Municipal Public Improvement Tax Increment Equivalent Fund referred to in Section 5 of the TIF Ordinance (the "TIF Fund") will receive all Service Payments and Property Tax Rollback Payments made with respect to the Improvement to each Parcel that are payable to the Village, together with any investment earnings on money in that TIF Fund.

(b) Priority of Lien. The Company acknowledges, for itself and any and all future Owners, that the provisions of O.R.C. Section 5709.91, which specify that the Service Payments for each Parcel will be treated in the same manner as taxes for all purposes of the lien described in O.R.C. Section 323.11, including, but not limited to, the priority of the lien and the collection of Service Payments, will apply to this Agreement and to the Parcels in the District and any improvements thereon.

(c) Failure to Make Payments. Should any Owner fail to make any payment required hereunder, that Owner shall pay, in addition to the Service Payments it is required to pay hereunder, such amount as is required to reimburse the Village for any and all reasonably and actually incurred costs, expenses and amounts (including reasonable attorneys' fees) required by the Village to enforce the provisions of this Agreement against that Owner.

(d) Recordation. Promptly following the date when the Company has obtained legal ownership of the real property located within the District, the Company shall, at its sole cost and expense, cause this Agreement to be recorded in the Franklin County, Ohio real property records for each Parcel in the District, it being understood and agreed that the lien of this Agreement shall, in accordance with O.R.C. Section 323.11 and O.R.C. Section 5709.91, be prior to any mortgage, assignment, lease or other conveyance by the Owners of any of their part of or interest in the Parcels within the District, and prior to any security instrument encumbering all or any part of or interest in the Parcels within the District; provided, however, that nothing contained in this Agreement shall be construed to permit acceleration of the Service Payments beyond the current year that such Service Payments are due. During the Term of this Agreement, the Owners shall cause all instruments of conveyance of any of their interest in all or any portion of the Parcels within the District, and of any improvements thereto, to subsequent mortgagees, lessees, lienholders, successors, assigns or transferees, to be made expressly subordinate and subject to this Agreement unless such interest is subordinate to this Agreement by operation of O.R.C. Section 5709.91. It is intended and agreed, and it shall be so provided by each Owner in any future deed conveying a Parcel or any part thereof, that the covenants provided in this Agreement shall be covenants running with the land and that they shall, in any event and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit and in favor of and enforceable by the Village and the Company whether or not this Agreement remains in effect or whether or not such provision is included by the Owner in any succeeding deed to subsequent Owners. It is further intended and agreed that these agreements and covenants shall remain in effect for the full period of the TIF Exemption permitted in accordance with the requirements of the TIF Statutes and the TIF Ordinance enacted pursuant thereto. Each Owner shall only be responsible for making Service Payments that become due and payable during the period of that Owner's ownership of all or any portion of any Parcels within the District and only with respect to the portion of a Parcel within the District owned by the Owner. Upon satisfaction of each Owner's obligations under this Agreement and termination of the obligations of the Owners to make the Service Payments, the Village shall, upon the request of an Owner, execute an instrument in recordable form evidencing such termination and releasing the covenants running with the land set forth in the deed.

Section 2. Establishment of a TIF Fund by the Village; Distribution of Funds. The Village agrees that it shall establish the TIF Fund as a deposit fund to be held in the custody of the Village for the sole purpose of receiving the Service Payments made from the Owners to the County Treasurer and payable to the Village. Upon distribution of the Service Payments to the Village, those Service Payments shall be deposited to the TIF Fund. Subject to the further provisions of Section 8 of this Agreement, amounts on deposit in the TIF Fund shall be used as follows: (i) *first*, to the extent available, to reimburse the Company for costs of the M/I Public Infrastructure Improvements (as defined herein), until the Reimbursement Amount (as defined herein) of \$4,000,000 is fully reimbursed; and (ii) *second*, to the Village, to pay for or reimburse the Village for costs of any Village-constructed Public Infrastructure Improvements; and (iii) *third*, for any other purpose permitted under the TIF Statutes and the TIF Ordinance, as each may be amended from time to time.

Section 3. Exemption Applications, Withdrawal, Maintenance and Notice. The Company, or the Owner if the Company no longer owns the real property for which the TIF Exemption is being applied, shall prepare, execute and file such applications, documents and other information with the appropriate officials of the State, the Village or other public bodies as may be required to effect the TIF Exemption. The Village, the Company, and the Owners shall cooperate with one another in such preparation and filing, including, without limitation, by executing such applications and documents as may be appropriate in obtaining such exemption. The Village, the Company, and the Owners agree to perform those acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain the TIF Exemption, and collect the Service Payments, including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with the TIF Exemption or the Service Payments. Each Owner agrees to appoint the Company as its agent and representative and shall grant a power of attorney to the Company for the purpose of filing any Ohio DTE Form 24 exemption application forms or successor forms or replacement forms necessary to claim the TIF Exemption. The Village shall cause notice to be recorded and prepared in accordance with the provisions of O.R.C. Section 5709.911(C)(1) at the County Recorder of Franklin County, Ohio.

Section 4. Reimbursement for Costs of M/I Public Infrastructure Improvements. As described on Exhibit B, certain of the Public Infrastructure Improvements will be constructed by the Company including, without limitation: (i) open spaces to be transferred to the Village, (ii) park space to be transferred to the Village, (iii) public roads constructed to serve the Project, including the Farview Road Extension from Minerva Lake Road to State Rt. 161 and associated intersection improvements, (iv) rights-of-way to be transferred to the Village, (v) sewer infrastructure, (vi) storm water infrastructure, (vii) water infrastructure, (viii) remediation of the Minerva Lake Dam to a Class 3 dam in compliance with ODNR (and other relevant governmental authorities, if any) specifications as well as associated lake restoration with work to be completed by 2020, and (ix) the Costs of the foregoing (hereinafter referred to as the “M/I Public Infrastructure Improvements”). For purposes of this Agreement, costs of the M/I Public Infrastructure Improvements eligible for reimbursement (the “Costs”) include the actual costs of the M/I Public Infrastructure Improvements and all the items of “costs of permanent improvements” set forth in O.R.C. Section 133.15(B) and incurred by the Company directly or indirectly with respect to the M/I Public Infrastructure Improvements. By the TIF Ordinance and by this Agreement, the Village has designated all of the M/I Public Infrastructure Improvements as “public infrastructure improvements” as defined in O.R.C. Section 5709.40(A)(7) that benefit or serve the District. The parties acknowledge and agree that the Company has the obligation to complete the aforementioned dam improvements.

The Village and the Company agree that Costs of M/I Public Infrastructure Improvements shall be paid and reimbursed as follows:

- (a) All Costs of M/I Public Infrastructure Improvements will initially be paid by the Company; and

(b) A portion of the Costs of the M/I Public Infrastructure Improvements equal to the Reimbursement Amount will be reimbursed from the TIF Fund as provided in this Agreement.

The Village and the Company agree that the amount of the Costs of the M/I Public Infrastructure Improvements for which the Company shall be entitled to reimbursement (the “Reimbursement Amount”) is a negotiated amount and is offered by the Village to the Company in consideration of the Company’s overall investment in the Project. The Reimbursement Amount shall be the Four Million Dollars (\$4,000,000). The Village shall not be responsible for reimbursement to the Company for any of the Costs of the M/I Public Infrastructure Improvements in excess of the Reimbursement Amount from the TIF Fund or otherwise.

Except as otherwise provided herein and subject to the limits described above, the Village shall pay all monies on deposit in the TIF Fund to or as directed by the Company on the first business day following each May 31 and November 30 (each, a “Payment Date”) until the Costs have been paid in full. Payments for the portion of Costs of the M/I Public Infrastructure Improvements will be made beginning with the first Payment Date following the satisfaction of the conditions of Section 5 hereof. Subsequent to submission of the first Written Requisition by the Company and contingent upon the Village having received funds in the TIF Fund, the Village shall pay to Company, within thirty (30) business days following the Village’s approval of a Written Requisition as provided in Section 5 hereof, the lesser of (i) the approved Costs of the M/I Public Infrastructure Improvements shown in the Written Requisition, or (ii) the funds in the TIF Fund available to reimburse the Company at that time in accordance with this paragraph. Should insufficient funds available to reimburse the Company exist in the TIF Fund at the time of the Village’s approval of a Written Requisition, then the Village shall maintain a record of such unreimbursed amounts, and the Village shall pay to Company such amounts within thirty (30) business days after such funds are available in the TIF Fund. The Village shall continue to use all Service Payments received by the Village from the Franklin County Auditor and deposited in the TIF Fund to pay the Company until the Reimbursement Amount is paid in full. Upon the payment in full of the Reimbursement Amount and the satisfaction of all amounts due to the Company pursuant to this Agreement, the Village may use any monies remaining on deposit in the TIF Fund in accordance with law. The Village shall submit to the Company an accounting or record of all amounts paid out of the TIF Fund and all payments made to the Company out of the TIF Fund upon request.

Notwithstanding any other provision of this Agreement, the Village’s payment obligations hereunder are limited to the monies in the TIF Fund and do not constitute an indebtedness of the Village within the provisions and limitations of the laws and the Constitution of the State of Ohio, and the Company does not have the right to have taxes or excises levied by the Village for the payment of the Costs and interest thereon.

Section 5. Approval of Costs of M/I Public Infrastructure Improvements. The Village shall reimburse to the Company the actual Costs of the M/I Public Infrastructure Improvements incurred by or on behalf of the Company according to one or more written requisitions submitted by the Company to the Village in substantially in the form attached as Exhibit C (a “Written Requisition”). Except as otherwise provided in an agreement entered into between the Company and the Village under Section 14 hereof, the Company may submit up to four (4) Written Requisitions per calendar year. The Village’s obligation to make payments to the Company for

Costs of the M/I Public Infrastructure Improvements shall commence with respect to a particular Cost of M/I Public Infrastructure Improvements when the Village approves a Written Requisition for such Cost. The Village shall approve a Written Requisition if the following conditions have been met:

(a) The Company has provided to the Village a Written Requisition substantially in the form attached hereto as Exhibit C and the Village's Fiscal Officer has determined that the amounts on that Written Requisition are properly payable under the TIF Ordinance and this Agreement, which approval shall not be unreasonably withheld; and

(b) The work associated with the Written Requisition has been done in material conformance with all Village-approved specifications and plans for that work.

The Company may request a written determination from the Village in advance of incurring any expenditures for any M/I Public Infrastructure Improvements that, upon making those expenditures and documenting those expenditures to the reasonable satisfaction of the Village, those expenditures will be properly payable under the TIF Ordinance and this Agreement. Any request made pursuant to this provision shall not be unreasonably denied by the Village, and the Village shall make a determination on each request within fifteen (15) business days of receiving that request. The Village shall not reject any portion of the Costs of M/I Public Infrastructure Improvements identified on a Written Requisition on the basis that those Costs are not properly payable under the TIF Ordinance and this Agreement if the Village has made a prior written determination that those Costs are properly payable pursuant to this provision. The Fiscal Officer shall act for the Village under this paragraph.

Section 6. Village Covenant Not to Divert TIF Funds. The Village covenants that it will not agree or consent to any amendment, modification or change to the TIF Ordinance or this Agreement without the prior written approval of the Company until the Reimbursement Amount has been paid in full to the Company. Any change to the provisions of Section 4 hereof or to the distribution of Service Payments deposited in the TIF Fund shall be approved by the Company and the Village in an amendment to this Agreement.

Section 7. Certain Representations and Warranties of Village. The Village represents and warrants as of the date of delivery of this Agreement that:

(a) It is a municipal corporation and political subdivision duly organized and validly existing under the Constitution and laws of the State of Ohio.

(b) It will have duly accomplished all conditions necessary to be accomplished by it prior to the execution and delivery of this Agreement and to constitute this Agreement as a valid and binding obligation of the Village enforceable in accordance with its terms.

(c) It is not in violation of or in conflict with any provision of the laws of the State or of the United States of America applicable to the Village that would impair its ability to observe and perform its covenants, agreements and obligations under this Agreement, nor will its execution, delivery and performance of this Agreement (i) result in such a violation or conflict or (ii) conflict with or result in any breach of any provisions of

any other agreement or instrument to which the Village is a party or by which it may be bound.

(d) It has and will have full power and authority (a) to execute, deliver, observe and perform this Agreement and all other instruments and documents executed and delivered by it in connection herewith and (b) to enter into, observe and perform the transactions contemplated by this Agreement and those other instruments and documents.

(e) It has or will have duly authorized the execution, delivery, observance and performance of this Agreement.

(f) The TIF Ordinance has been duly passed by the Village, has not been amended, modified or repealed, and is in full force and effect.

(g) It will deposit into the TIF Fund all Service Payments received by it and all Property Tax Rollback Payments made with respect to the Parcels in the District and any investment earnings on that money or other amounts held in the TIF Fund.

(h) It will not amend, modify or repeal the TIF Ordinance in any way or pass any other legislation or take any action that would affect the amount of Service Payments and Property Tax Rollback Payments deposited into the TIF Fund except as approved by the Company or required by law.

(i) It will not transfer, encumber, spend or use any monies on deposit in the TIF Fund other than as provided in this Agreement.

(j) There is no litigation pending or to its knowledge threatened against or by Village wherein an unfavorable ruling or decision would materially and adversely affect Village's ability to carry out its obligations under this Agreement.

Section 8. Certain Representations and Warranties of the Company. The Company hereby represents and warrants as of the date of delivery of this Agreement that:

(a) It (i) is a corporation duly organized, validly existing and in full force and effect under the laws of the State of Ohio, and (ii) has all requisite power and authority and all necessary licenses and permits to own and operate its properties and to carry on its business as now being conducted and as presently proposed to be conducted.

(b) It has the authority and power to execute and deliver this Agreement, perform its obligations hereunder and construct or cause to be constructed the Improvements, and it has duly executed and delivered this Agreement. The Company is a party to a written contract to purchase the real property that is located within the District, and such written contract remains effective on the date of this Agreement.

(c) The execution and delivery by it of this Agreement and the compliance by it with all of the provisions hereof (i) will not conflict with or result in any breach of any of the provisions of, or constitute a default under, any agreement, its articles of organization or operating agreement, or other instrument to which it is a party or by which it may be

bound, or any license, judgment, decree, law, statute, order, rule or regulation of any court or governmental agency or body having jurisdiction over it or any of its activities or properties, and (ii) have been duly authorized by all necessary action on its part.

(d) There are no actions, suits, proceedings, inquiries or investigations pending, or to its knowledge threatened, against or affecting it in any court or before any governmental authority or arbitration board or tribunal that challenges the validity or enforceability of, or seeks to enjoin performance of, this Agreement or the construction of the Improvements, or if successful would materially impair its ability to perform its obligations under this Agreement or to construct or cause to be constructed the Improvements.

(e) It is in compliance with State of Ohio campaign financing laws contained in O.R.C. Chapter 3517 and is not subject to an unresolved finding for recovery issued by the Auditor of State as described in O.R.C. Section 9.24.

Section 9. Provision of Information. The Company, as Owner, agrees for itself and each successive Owner to (i) cooperate in all reasonable ways with, and provide necessary and reasonable information to, the designated tax incentive review council to enable that tax incentive review council to review and determine annually during the term of this Agreement the compliance of the Owners with the terms of this Agreement; and (ii) to cooperate in all reasonable ways with, and provide necessary and reasonable information to the Village to enable the Village to submit the status report required by O.R.C. Section 5709.40(I) to the Director of the Ohio Development Services Agency on or before March 31 of each year.

Section 10. Nondiscriminatory Hiring Policy. The Company and the Owners agree to comply with the Village's nondiscriminatory hiring policy adopted pursuant to O.R.C. Section 5709.832 to ensure that recipients of tax exemptions practice nondiscriminatory hiring in their operations. The Village will provide a copy of that policy and any updates to that policy to the Company and each Owner upon request. In furtherance of that policy, the Company agrees that it will not deny any individual employment solely on the basis of race, religion, sex, disability, color, national origin or ancestry.

Section 11. Prevailing Wage. The Company and the Village acknowledge and agree that the construction of M/I Public Infrastructure Improvements owned or to be owned by the Village or another "public authority" (as defined in O.R.C. Section 4115.03(A)) and paid for or reimbursed with Service Payments disbursed to the Company out of the TIF Fund are subject to the prevailing wage requirements of O.R.C. Chapter 4115, and all wages paid to laborers and mechanics employed to construct such M/I Public Infrastructure Improvements must be paid at not less than the prevailing rates of wages of laborers and mechanics for the classes of work called for by such M/I Public Infrastructure Improvements, which wages must be determined in accordance with the requirements of that Chapter 4115. The Village and the Company have or will comply, and the Company has or will require compliance by all contractors working on any M/I Public Infrastructure Improvements owned or to be owned by the Village or another public authority and paid for or reimbursed with Service Payments disbursed to the Company out of the TIF Fund, with all applicable requirements of that Chapter 4115, including, without limitation, (i) obtaining the determination required by that Chapter 4115 of the prevailing rates of wages to be paid for all

classes of work called for by such M/I Public Infrastructure Improvements, (ii) obtaining the designation of a prevailing wage coordinator for such M/I Public Infrastructure Improvements, and (iii) insuring that all subcontractors receive notification of changes in prevailing wage rates as required by that Chapter 4115.

Section 12. Estoppel Certificate. Within thirty (30) days after a request from the Company or any Owner of a Parcel, the Village will execute and deliver to the Company or Owner or any proposed purchaser, mortgagee or lessee of that Parcel, a certificate stating that, with respect to that Parcel, if the same is true: (i) this Agreement is in full force and effect; (ii) the requesting Company or Owner is not in default under any of the terms, covenants or conditions of this Agreement, or, if the Company or Owner is in default, specifying such default; and (iii) such other matters as the Company or Owner reasonably requests.

Section 13. Notices. Except as otherwise specifically set forth in this Agreement, all notices, demands, requests, consents or approvals given, required or permitted to be given hereunder must be in writing and will be deemed sufficiently given if actually received or if hand-delivered or sent by recognized, overnight delivery service or by certified mail, postage prepaid and return receipt requested, addressed to the other party at the address set forth in this Agreement or any addendum to or counterpart of this Agreement, or to such other address as the recipient has previously notified the sender of in writing, and will be deemed received upon actual receipt, unless sent by certified mail, in which event such notice will be deemed to have been received when the return receipt is signed or refused. The parties, by notice given hereunder, may designate any further or different addresses to which subsequent notices, certificates, requests or other communications must be sent. The present addresses of the parties follow:

- (a) To the Village: Village of Minerva Park

Section 14. Successors; Assignment; Amendments; Village Consents. This Agreement is binding upon the parties hereto and their successors and assigns. The Village and the Company may only assign this Agreement with the consent of the other, which consent shall not be unreasonably withheld; provided, however, that the Company may, without the consent of the Village, assign its rights under this Agreement for the purpose of obtaining financing (including any refinancing) for the M/I Public Infrastructure Improvements or the Improvements, as long as such an assignment provides that the Company remain liable for all its obligations under this Agreement, and the Village will cooperate with any reasonable assignment request in connection with that financing (or refinancing). The Village agrees upon request in connection with that financing (or refinancing) to consent to any assignment by the Company of its interest in the TIF

Fund. Nothing in this Agreement prevents an Owner from transferring any or all of its interest in one or more Parcels to another person or entity. This Agreement may only be amended by written instrument executed by all parties to this Agreement. Any consent of the Village to be given under this Agreement may be given by the Fiscal Officer and must be given in writing.

Section 15. Extent of Covenants; No Personal Liability. All covenants, stipulations, obligations and agreements of the parties contained in this Agreement are effective and enforceable to the extent authorized and permitted by applicable law. The obligations of the Village may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity. No such covenant, stipulation, obligation or agreement will be deemed a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of any of the parties hereto in their individual capacity. Neither the Village, the members of the Village Council nor any Village official executing this Agreement, or any individual person executing this Agreement on behalf of the Company, will be liable personally by reason of the covenants, stipulations, obligations or agreements of the Village or the Company contained in this Agreement. The obligation to perform and observe the agreements contained herein on the part of the Company shall be binding and enforceable by the Village against the Company with respect to (and only to) the Company's interest in its portion of the Parcels and the Improvement, or any parts thereof or any interest therein.

Section 16. Events of Default and Remedies.

(a) Any one or more of the following constitutes an "Event of Default" under this Agreement:

(i) The Village fails to make any payment punctually and as required under this Agreement;

(ii) The Company or the Village fails to perform or observe any material obligation punctually and as due under this Agreement, provided that if a Force Majeure (as such term is defined below) event causes the failure, the Company or Village may receive an additional period of time as is reasonably necessary to perform or observe the material obligation in light of the event if it notifies the other of the potential event and the extent of the delay promptly after becoming aware of the event;

(iii) The Company or the Village makes a representation or warranty in this Agreement that is materially false or misleading at the time it is made;

(iv) The Company files a petition for the appointment of a receiver or a trustee with respect to it or any of its property;

(v) The Company makes a general assignment for the benefit of creditors;

(vi) A court enters an order for relief pursuant to any Chapter of Title 11 of the U.S. Code, as the same may be amended from time to time, with the Company as debtor; or

(vii) The Company files an insolvency proceeding with respect to itself or any proceeding with respect to itself for compromise, adjustment or other relief under the laws of any country or state relating to the relief of debtors.

As used in this Section, “Force Majeure” means any event that is not within the control of a party or its affiliates, employees, contractors, subcontractors or material suppliers that delays performance of any obligation under this Agreement including, but not limited to, the following acts: acts of God; fires; epidemics; landslides; floods; strikes; lockouts or other industrial disturbances; acts of public enemies; acts or orders of any kind of any governmental authority; insurrections; riots; civil disturbances; arrests; explosions; breakage or malfunctions of or accidents to machinery, transmission pipes or canals; partial or entire failures of utilities; shortages of labor, materials, supplies or transportation; lightning, earthquakes, hurricanes, tornadoes, storms or droughts; periods of unusually inclement weather or excessive precipitation; or orders or restraints of any kind of the government of the United States or of the State (and in the case of a Force Majeure claim by the Company, the Village or any departments, agencies, political subdivisions or officials that are not in response to a violation of law or regulations). However, the inability of the Village to make any payment required under this Agreement and the inability of the Company to obtain financing for its obligations hereunder are excluded from being a Force Majeure event.

(b) General Right to Cure. In the event of any Event of Default in or breach of this Agreement, or any of its terms or conditions, by any party hereto, the defaulting party will, upon written notice from the other, proceed, as soon as reasonably possible, to cure or remedy such Event of Default or breach, and, in any event, within thirty (30) days after receipt of such notice. In the event such Event of Default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting party will upon written notice from the other commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach.

(c) Remedies. If a defaulting party fails to cure any Event of Default pursuant to paragraph (b) of this Section, a party may institute such proceedings against the defaulting party as may be necessary or desirable in its opinion to cure and remedy such default or breach. Such remedies include, but are not limited to: (i) instituting proceedings to compel specific performance by the defaulting party, (ii) suspending or terminating the obligations of the non-defaulting party under this Agreement, provided the aggrieved party must provide thirty (30) days’ notice of any termination to the defaulting party and provided further that the aggrieved party must rescind the termination notice and not terminate the Agreement if the defaulting party cures all Events of Default within a reasonable time thereafter, and (iii) any other rights and remedies available at law, in equity or otherwise to collect all amounts then becoming due or to enforce the performance of any obligation under this Agreement. The obligations of the Village may be enforced to the extent permitted by law by mandamus or any suit or proceeding in law or equity.

Section 17. Mutual Dependency and Severability. All material rights and duties contained in this Agreement are mutually interdependent and one cannot exist independent of another; provided, that if any one or more of the provisions contained in this Agreement shall for

any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision was not contained herein. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible that is and will be legal, valid and enforceable.

Section 18. Separate Counterparts; Captions. This Agreement may be executed by the parties hereto in one or more counterparts or duplicate signature pages, each of which when so executed and delivered will be an original, with the same force and effect as if all required signatures were contained in a single original instrument. Any one or more of such counterparts or duplicate signature pages may be removed from any one or more original copies of this Agreement and annexed to other counterparts or duplicate signature pages to form a completely executed original instrument. Captions have been provided herein for the convenience of the reader and shall not affect the construction of this Agreement.

Section 19. Entire Agreement. This Agreement constitutes the entire agreement between the parties with respect to the matters covered herein and supersedes prior agreements and understandings between the parties.

Section 20. Governing Law and Choice of Forum. This Agreement will be governed by and construed in accordance with the laws of the State of Ohio. All claims, counterclaims, disputes and other matters in question among the Village, its employees, contractors, subcontractors and agents, and the Company, its employees, contractors, subcontractors and agents arising out of or relating to this Agreement or its breach will be decided in a court of competent jurisdiction within the County of Franklin, State of Ohio.

Section 21. Additional Documents. The Village, the Company and their respective successors, assigns and transferees agree to execute any further agreements, documents, or instruments as may be reasonably necessary to fully effectuate the purpose and intent of this Agreement.

Section 22. Condition Precedent to Parties' Obligations. While this Agreement shall be effective on the Effective Date, the Village and the Company acknowledge that the Company is presently a party to a written contract to purchase the real property that is located within the District from its current owners. The respective duties of the Village and the Company to perform their respective obligations under this Agreement shall be conditioned upon the Company obtaining legal ownership of the real property located within the District on a future date. This condition shall be deemed to have been satisfied with respect to both the Village and the Company upon the recording of one or more deeds that convey the real property that is located in the District to the Company or one of its affiliated business entities.

IN WITNESS WHEREOF, the Village and the Company have caused this Agreement to be executed in their respective names by their duly authorized officers as of the date hereinabove written.
