## URGENT PAGERS

*By Dick Busick, Council President*

The Village Council and the mayor are trying to improve our village communications. In the past, it has occasionally been difficult to reach the right people to resolve certain URGENT or EMERGENCY situations. Effective March 14, 2003, both the chairman of the Streets & Sewers Committee and the Service Committee will be carrying PAGERS.

After dialing the PAGER number, you will be asked to submit your "numeric" message. You then key in, using your touch-tone telephone pad, YOUR TELEPHONE NUMBER where you can be contacted. Examples of appropriate urgent situations are described below. Please restrict your use of these pagers to URGENT SITUATIONS.

### STREETS & SEWER COMMITTEE

Dick Busick, Chairman

EMERGENCY PAGER 628-1097

- **Sanitary sewer back-ups in the main line.** Note that you can have a back-up in your personal lateral service line that affects only your house and not your neighbors. Maintenance on these lateral lines is the homeowner's responsibility.
- **Storm sewer back-ups** that result in water standing in the streets several hours after the storm has passed.
- Missing **STOP signs or other road conditions** that result in MAJOR safety issues.
- **Trees** down in village streets.
- **Snow removal** missed plowing your street when other village streets have been cleared. Note that parked cars, especially on cul-de-sacs, may result in your area not being plowed, so please get all vehicles off the streets during snow emergencies.
- **Pot holes** large enough to cause safety issues appear in village

streets. Please note (and don't call on these holes) that we are aware of numerous conditions presently existing. These will be addressed early in April 2003, when weather conditions permit proper repair.

### SERVICE COMMITTEE

Don Cox, Chairman

EMERGENCY PAGER 628-1098

- **Garbage pick-up ...**
  1. missed your house, but your neighbors have been picked up.
  2. missed your entire street, but other streets in the village have been serviced and it is after 8:00p.
  3. performed in such a manner that major sanitary hazards exist on or near village streets.
- **Water main breaks** appear in or near village streets.
- Major **mosquito** control issues in the summer.
- Major **leaf pick-up** issues in the autumn.

## Pool Sign-Up Day

We have signed a new lease with the village and are pleased to invite you to join the Minerva Park Swim Club on ...

# MAYOR'S REPORT

By Jack Murray

After the temperatures we've had this winter, the warmer weather with sunshine is certainly welcome.

The Franklin County Board of Health has started its **mosquito** control program and will send a coordinator to determine the level of service they will provide. Because of the growing presence of the West Nile virus, a representative of the Board of Health is scheduled to work in our community from 2-4 days a week. This representative will see that this program is carried out during the coming 2003 mosquito season. I am sure this program will not eliminate the mosquitoes, but maybe we'll have less of the pests.

Our annual **Police Training** program was one of the best ever. This year we had two Saturday classes conducted by the Director of the Ohio Law Enforcement Training Center. He did an

excellent job of presenting the current laws as defined by the Ohio Revised Code.

A new procedure for **Columbus Emergency Medical Services** has been implemented. They will now charge for their services. If a Columbus EMS responds to a call in Minerva Park the patient will be billed for the service. Most of the bill could be paid by the patient's insurance.

Our March 10, 2003 council meeting was attended by all members. There was another lengthy discussion on the activity at the house at **2826 Lakewood Drive**. Subsequent investigation has provided additional information from several sources creating considerable confusion. However, the good news is that the individual who caused much of the concern is being transferred to another facility away from our village. We will continue to monitor the activity at this house.

The **Planning & Zoning** Chairman reported that there were no applications submitted.

The Community Association reported that they have made application for a **historical marker**. They haven't yet determined what the inscription should be.

- **Resolution 2003-03** - To establish the hourly wages of the Clerk of Court. Approved.

- **Resolution 2003-04** - To Enter into a lease with the pool board that establishes an agreement that the village will provide for certain capital improvements and certain repairs. Approved.

We have received reports that residents are walking their **dogs** around the village and especially in the park area along Maplewood Drive without cleaning up after them. I've noticed that two men walking their dogs on my street carry plastic bags and pick up any deposits the dogs make. I hope everyone would do the same. Please review the Pooper Scooper ordinances on this page.

The **trash** people are doing a good job of collecting, even during the heavy snow.

Because of the heavy caseload in our **Mayor's Court**, we will begin holding court every two weeks instead of every three weeks.

---

My mother-in-law told me, "The next time you think you are so perfect, try walking on water."

## 618.13 Nuisance Conditions Prohibited.

(a) No person shall keep or harbor any animal ... in the Municipality so as to create noxious or offensive odors or unsanitary conditions which are a menace to the health, comfort, or safety of the public.

(b) No person, being the owner, keeper, or person having control of any animal, shall permit such animal to dig or defecate on any public or private property in the Village, other than the property of the owner or person in control

of such animal, or allow any animal to damage any part of a lawn, tree, shrub, plant, building, or other property, other than the property of the owner or person in control of such animal, by means of urination. The foregoing prohibition as to defecation shall not apply when the person in control of such animal immediately removes all feces deposited by it and disposes of the same in a sanitary manner.

### MPCA Garage Sale FUND-RAISER

Saturday, May 31

9 a.m. to 4 p.m.

Registration deadline: May 26

Cost: \$5 plus 10% of your proceeds

\$5 Late Registration Fee by May 27 (you will not be on the map)

Contact: Lynn Eisentrout, 891-0895

It's time to clean out your closets and start digging through your basement and garage in preparation for the annual Minerva Park Community Association Garage Sale on Saturday, May 31. This event always attracts a large number of buyers, so don't miss out!

As in the past, the **\$5 registration fee** covers the cost of prominent advertising in local newspapers, balloons to mark your mailbox, and maps for distribution. There is also a **\$5 late registration fee**, so please be prompt.

This is one of the **MPCA's biggest annual fund-raisers**, so please **do not cheat your community** of improvements and event money by having an unregistered sale the same day. The Community Association is

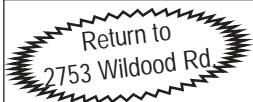

attempting to fund several projects to enhance the village, and we need your help. We will be watching for unregistered sales and will ask you for your fair contribution. Those folks who have unregistered sales and do not pay their 10% contribution will not be eligible to participate in the 2003 garage sale.

**To register**, send the attached form and a check for \$5 payable to "Minerva Park Community Association" to the event coordinator, Lynn Eisentrout, 2753 Wildwood Rd., 891-0895.

**Registration packets** will be **distributed** this year on **May 30**. Late registrations can be made that evening, but *you will not be on the map*. Volunteers will be coming personally to collect your 10% proceeds between 3:30 and 4:00 the day of the sale, as opposed to your mailing your proceeds to us.

As always, we need volunteers to help make this sale a success. Please contact **Lynn Eisentrout** at **891-0895** if you can help with packet creation and

distribution, advertising, or collecting money.
