

Community Building Remodel/Addition Project

Over the past 5+ years, administration, council and residents have been discussing the need for an updated Community/Administration/Police Facility. You may find many helpful documents here: some historical, and some very current!

The renovation/addition began in October of 2022; Village Offices moved back in to 2829 Minerva Lake Rd. in September of 2023. The renovated building was dedicated in October.
